Dear Abu, Vanessa, and Maximillian,

Thank you for your thoughtful gift of homemade face masks. Your gift will be used to protect our first responders, doctors, and nurses while they care for our patients. Your generosity and kindness lift spirits, renew hope, and provide strength during this difficult time.

The health and safety of our patients, staff and community remain our highest priority. Trinitas serves as a critical lifeline for the thousands of people in the greater Elizabeth area, including those that are vulnerable and poor. As coronavirus concerns escalate, Trinitas Regional Medical Center remains agile in responding to this crisis. With an increasing number of patients coming in for testing and treatment, and NJ being second highest in number of patients after NY, we assure you that we are doing everything in our power to halt the spread and keep our community safe.

Thank you again for your generosity. We are particularly grateful for your support in these challenging times.

Fondly,

Nadine Brechner
Chief Development Officer & Vice President
