Mr. Max Loeffler
Bumble Dolls
144 Kent Place Boulevard
Summit, NJ 07901

Dear Max,

Thank you for your generous donation of Bumble Dolls made from beautiful botanical fabric brought from Hawaii. I cannot tell you how moved I was when I learned the story behind these beautifully hand-crafted dolls. We were thrilled to share them with participants in our yoga and meditation classes; and found many smiles on the faces of those that received them. I hope they serve as a reminder of to move through life with a happy and positive attitude.

I wish you the greatest success in your ventures and I hope you continue to positively impact many through the work that you do. Thank you again.

Warmest regards,

Jackie Kondel
